

Double Degree Programmes at SGH

Double Degree Day, 13 March 2019

What is a double degree programme?

2 diplomas during 1 single study: diploma of your home university and of the partner university

Programme for selected students with good academic record and proficient in foreign languages

1 year at partner university with full recognition of courses that are included in the plan of a given double degree programme

When at partner university students have same rights and obligations as students of host University (*i.e. they can still receive social or other scholarships at home university*)

On the basis of the DD agreement student is waived from fees at partner university. If he/she pays fee at home university student still needs to pay it while abroad.

Possibility of receiving Erasmus+ grant for the period of study abroad (under condition that SGH receives sufficient amount of grant for a given academic year)

Selection to DD is done separately for each programme and takes place beyond the online application system of International Centre

Only for candidates of full-time studies within the major offered in double degree

A black and white photograph of a large crowd of graduates in caps and gowns, likely at a graduation ceremony. The graduates are seen from behind, filling the frame. A semi-transparent circular overlay is positioned on the right side of the image, containing the text "Thank you for your attention!".

Thank you for
your attention!
