

Dear Students,

Because we had cases, that with completion of studies there were lacks of some classes for specific fields of study, below are listed subjects that must be passed, so you can without any problems take your bachelor exam.

Students of **International Economics**, to obtain completion of studies, must complete following subjects:

- European Integration (110451) and Theory of State (110521) – one as basic subject, the other as major subject

Students of **Management**, to obtain completion of studies, must complete following subjects:

- Management (110591), Management (seminar) (110601) – those two are the same as Management (110641), Marketing (110481) – two as basic subjects, third as major subject
