WINTER SCHOOL STRUCTURE

Objective

Participants will spend 8 days devoted to classroom sessions at IIM Ahmedabad. 6 days are planned for engaging in company visits, field trips, and some cultural exposure, including over weekends. The overall duration of the Winter School is 14 days.

Course Details

Courses offered during the 2-week Winter School will be based on the following themes:

- Indian Economy
- Strategy in Emerging Markets
- Technology and Business Environment in India
- Indian Society and Culture
- Industrial Visits (to augment classroom learning)

Course outlines would be sent to interested candidates upon request. IIM Ahmedabad treats this course as equivalent to 2 credits or 50 classroom contact hours.

Localé

Situated in the heart of Gujarat, known for its amazing hospitality, IIM Ahmedabad strives to provide the best-in-class facilities to all participants to make their stay comfortable and enriching.

The campus has well-equipped infrastructure including LAN and Wi-Fi, sports facilities, fitness centre, library, campus health clinic etc.

*Participants will be provided on campus AC accommodation on double occupancy basis**, mess facilities, and pick-up and drop-off at the airport. The Winter School includes social and cultural events and heritage tour around Ahmedabad.

** Single occupancy may be available at additional cost
